

Páramo Mountain Professional Scheme:

Welcome to the Páramo Mountain Pro Scheme. If your application is successful, you will be able to buy appropriate Páramo goods at preferential prices, be given access to Páramo goods before their general launch dates, be invited to participate in dedicated promotions and incentives and choose to have a more direct input into the product development cycle and Páramo development teams where applicable.

Páramo will offer you a tiered structure of preferential rates based on your current outdoor qualifications and your professional involvement with outdoor instruction and guiding activities. If you are accepted, you will be assigned an individual account number. Please note that this account number will be for use by you and you alone. If you have friends or colleagues who feel that they also qualify, they need to apply to us in person, as any misuse may result in your withdrawal from the scheme immediately and without warning.
