4. Entrance requirements to the scheme are monitored by Páramo, any decisions to admit / remove members from the scheme are those of Páramo and will be deemed final. To be accepted as a member of the Scheme and be issued with a Card, prospective members must demonstrate that they wholly or significantly in part earn their living from nature, photographic or audio-visual occupations and/ or possess certain professional qualifications or association membership reflecting their commitment to those fields.
5. The Nature Pro card can only be used when buying direct from Páramo, at designated Páramo events and at such other third party/ partner outlets who may be part of the Scheme (as notified to you by Páramo from time to time).
6. The Páramo Nature Pro scheme is mail order only and members cannot currently purchase online.

8. The name, full postal address, email address, and signature of the Scheme member must be provided for a Card to be valid.
9. The Card cannot be used as a credit card or a guarantee card.

Páramo reserves the right to take any action deemed necessary where a Cardholder is found to have abused the Scheme.
12. In addition to point 10 above, Páramo reserves the right to (i) stop issuing Cards at any time; (ii) on notice to alter or amend the terms and conditions of operation of the Card and/or Scheme; and (iii) on notice to withdraw or cancel the Cards and/or the points (including the redemption and issue of such) and/or terminate the Scheme. 14. To qualify for the appropriate discount and to collect points for a qualifying transaction, Cardholders must quote their membership/ card number at the start of the transaction. Cardholders cannot retrospectively claim points on purchases made before they joined the Scheme.
15. The appropriate Scheme Discount and Points will be awarded on Páramo goods purchased direct from Páramo, with the exception of gift vouchers. If a discounted price is offered for an item (for example, as part of a national promotion or event day), the customer will be asked to elect whether to receive Páramo points on that transaction or to receive the cash discount.

15. Páramo reserve the right to offer bonus points on certain products as selected by Páramo from time to time at its sole discretion.

16. Cardholders will receive points on qualifying transactions. Points are awarded at a rate of 5 points for every £1.00 spent or a pro rata amount rounded up to the nearest point. This can be altered at the discretion of Páramo and the number of points issued may vary between qualifying purchases at certain times.

17. Points will usually be loaded on to a Card within 24 hours (across normal working days) of dispatch/collection of goods. In circumstances of system failure, or purchase through a designated outlet (see paragraph 5), it is expected that points will be loaded within 72 hours. In most circumstances any bonus points that are earned will be loaded onto the Card 72 hours after the date on which the goods are purchased. Points cannot be redeemed until loaded on to the Card.

18. Points have no cash redemption value and cannot be exchanged, sold or transferred. If overpayment is made using points, no change or credit will be given.

19. Páramo will reverse the associated points earned or redeemed if a transaction on which points are earned or redeemed is cancelled or reversed or if a product is returned (in accordance with Páramo's Returns Policy). The Cardholder must make Páramo sales staff aware if they make a return so that the points awarded can be adjusted on the Cardholder's account for the product being returned. Points will be removed at the same value as accrued for all Páramo goods returned/refunded.

20. Páramo will contact Cardholders who have earned sufficient points twice a year by email with a Points statement and details of how the accrued Points can be used.
